

How Much Do Tipped Employees Really Make?

\$13.13

President Obama, Democrats in Congress, and far-left advocacy groups are promoting a 232% increase in the tipped minimum wage to fix a problem that doesn't exist. Tipped employees report an average of over \$13 per hour in total compensation today. Many earn \$25 per hour or more.

President Obama and his allies are entitled to their own opinions but not their own facts.
